

Dear Family,

Thank you for your interest. We are thrilled to share more about our community and our commitment to nurturing the "whole child" through play-based learning and spiritual growth. While our admissions process outlines the logistical steps for enrollment, we know that choosing the right school is about finding the perfect fit for your family. To help you get to know us better, here are a few highlights of our program:

- **Our Curriculum & Philosophy:** We serve children from *6 weeks through 5 years of age*. Our program utilizes a play-based approach to foster natural curiosity, supported by *low student-to-teacher ratios* for personalized care. From specialized sensory development for infants to STEM-focused activities for toddlers and social-emotional learning in Pre-K, our goal is to ignite a lifelong passion for learning.
- **Flexible Enrollment Options:** We offer schedules designed to meet your family's unique needs:
  - Full Day (Year-Round): Monday–Friday, 7:30 am – 5:30 pm.
  - Half Day (Year-Round): Monday–Friday, 7:30 am – 12:30 pm (Breakfast and lunch included).
  - Academic Year Part-Time: Available from the day after Labor Day through mid-May. We offer flexible 3, 4, or 5-day schedules for sessions under 4 hours per day.
- **Nutrition & Care:** To support our students' growth and convenience for our families, we provide nutritious breakfast, lunch, and snacks daily for our full and half-day students.
- **Calendar & Closings:** For most inclement weather and holiday breaks, we follow the Gaston County Schools schedule.
- **Connect With Us:** If you haven't already, we encourage you to reach out to schedule a Phone/Care Chat. This is a great opportunity for us to discuss your child's needs and answer any specific questions you may have.

We would love to discuss our current availability and how our programs can support your family. Please let us know if there is a convenient time for a brief call.

Warmly,

**Management Team**
