'RONA RULES

An awesome chance to love our neighbors!

General Tips

Keep a 6 foot space between yourself and anyone else.

Keep your hands to yourself and try not to touch objects that others might touch.

Sanitize your hands often!

When Can I Take My Mask Off?

-When you are outside and distanced while seated

-When eating

(Please remember that any time your mask is off outside, you MUST stay 6 feet apart.)

Potty Rules

ONE person will be allowed in the building at a time.

Please wipe down anything you touched while inside (doorknobs, faucets, etc.) with a Clorox wipe.

Masks must be worn while inside the building.

Don't Forget...

...wearing a mask will help keep ourselves and others safe and healthy! God calls us to love our neighbors as ourselves, and this is a great time to practice doing just that!
